

margin .125"

The diagram shows a rectangular page layout with three nested borders. The innermost border is blue and represents the content area. The middle border is black and represents the margin. The outermost border is red and represents the bleed area. The text 'margin .125"' is located in the top-left corner of the blue area. The text '3.5" x 2"' is centered in the black area. The text 'bleed .0625"' is centered below the red border.
